

Sarah's Safari Surprise

A Wild Adventure

Today is a very special day! Sarah and her daddy, Loay, are going on a big adventure to the .zoo. "Let's go see the animals!" Sarah cheers

Look at the giant grey elephant! He has floppy
ears and a long trunk. "Toot-toot!" says the
elephant. sarah waves hello to her new big
.friend

Look up high, sarah!" says loay. The giraffe has a
very long neck. It stretches up to eat the yummy
.green leaves. Munch, munch, munch

Zoom! The zebras run fast across the grass. They
have stripes of black and white. Clip-clop, clip-
.clop go their hooves

loay gives sarah special glasses to see far away.
"What can we find hiding in the river?" she asks.

!Let's look closely

Splash! A big pink nose pops out of the water. It
is a happy hippo taking a bath. He loves the cool
.water on a hot day

Shhh! The big lion is taking a nap. He has a fuzzy mane and big paws. We must be very quiet .so we don't wake him up. Sleep tight, Lion

Ooh, ooh, ah, ah!" The silly monkeys swing from"
the trees. They are playing tag and having fun.
.sarah giggles at their funny tails

The sun is going down. The sky turns orange
and pink. The animals are sleepy now. It is time
.to say goodnight to the wild

loay gives sarah a big hug. "Great job, Safari Explorer!" What a wonderful day in the wild.

.Sweet dreams, sarah
